

Oxford International Study Centre
individually designed study programmes in the heart of Oxford

**Programmes beginning
September 2020**
*Inspiring Education in the
heart of the University City of
Oxford*

We are still taking bookings for the Autumn term. **All programmes are offered both online with personal tutoring by Skype or Zoom, or face to face in Oxford** . Tuition is a mixture of private lessons and small seminar groups, which are very international in their intake and average five students.

We offer a wide range of programmes including:

English Language programmes

Students usually take the IELTS examination , but we also teach for other examinations, eg Cambridge, and also offer General English without examination.

A Level , Foundation and (I)GCSE Programmes

- Full year intensive programmes September 2020 to June 2021
- Shorter Revision programmes for students retaking :

The ALevel and (I)GCSE programmes offer a choice of over 30 subjects and we cater for all examination boards. Successful completion of the Foundation programme leads to entry to one of our 19 partner Universities in a range of subjects .

For all students we include:

- Academic mentoring, including **advice on the personal statement** and UCAS
- **Free English Language lessons** (if required) for students who also need to take or retake IELTS

Revision programmes for students retaking the IB Diploma

We shall once again be providing support for IB Diploma students who need to retake one or more of their papers. Most subjects are offered at both HL and SL, and also the Theory of Knowledge and Extended Essay requirements. The programmes are taught by experienced Oxford IB tutors. Students usually stay for 12 weeks, but shorter courses are also possible.

Oxford and Cambridge University Preparation programmes

Students must have a good school record and be fluent in English. The programme takes place from September to December 2020 , but short courses in the October holidays are also offered for students applying from their own schools.

The programme includes:

- Advice and orientation on applying to Oxford or Cambridge
- **Preparation for written tests** at and before the interview (all subjects to which this applies) , with lessons with specialist tutors eg ELAT, TSA, etc
- **Interview practice** (general and subject specific)
- **Personal statements.**

Pre-Boarding School programme

The OISC Pre-Boarding Programme is designed to assist young students prepare for entry to Boarding School. The tests usually take place between November and January . We prepare students for ISEB or UKiset examinations , and for 13+ and 16+ tests. We have excellent links with many British schools so can assist with school placement if required.

Semester or Year in Oxford

Our Gap Year programmes are designed around each student's interests and plans. Over 30 subjects are offered . They are an exciting way to expand horizons and to spend time in one of the world's most inspiring cities .

.....

Accommodation options

- Host families, which have been inspected and approved : from £250 per week
- The Residence (age 14+) which offers en suite rooms, a common room and dining room: from £480 per week

All options include half board in single rooms, unless a student prefers to share with a friend.

All options include half board in single rooms, unless a student prefers to share with a friend.
